

# How to Submit Abstracts and Prepare an Oral Presentation

Developing good writing skills is essential for submitting abstracts, manuscripts and other research documents. This workshop will introduce students to key ideas related to scientific writing and abstract submission.

Oral presentations can often be a daunting or paralyzing task. This workshop will provide you with tips to present your research in a clear and organized manner with confidence!

Presented By:

Dr. Charles Bigger

&

Dr. Mehmet Dorak

Associate Professor, Department of Epidemiology,  
Robert Stempel College of Public Health &  
Social Work
